

I, Abhaas Aggarwal, joined FIITJEE South Delhi in 2018-19 in my class IX for Big Bang Pre Joining Benefit classes followed by the Four Year Classroom Programme. I came to know about FIITJEE from their newspaper ads.

The teachers at FIITJEE really acted as the catalyst for my growth. They teach each concept with patience which helped strengthen the basics in all the subjects. Regular quizzes helped me in judging my strengths and weaknesses, and identifying my position amongst my peers who provided a healthy competition. The other tests, including weekly tests, monthly tests, phase tests, AITS, AI²TS also helped in this regard.

The study material provided by FIITJEE including the package, CPP, archives etc. were comprehensive in nature and gave me plenty of practice in problem solving.

With the help of FIITJEE I was able to clear NTSE, IOQP.

I advise my juniors to attend their classes regularly and follow your teacher's guidelines with complete tenacity.

I owe my success to FIITJEE SOUTH DELHI and their extremely talented FACULTY.
