

I Aditi Singh joined FIITJEE South Delhi in 2022 for one year classroom program. My friend suggested me to join FIITJEE as it is known for producing good results.

All concepts were properly taught in the class alongwith sufficient practice. I got to solve a variety of problems, many in the class itself and more in the form of CPP's and supplements. Teachers were very supportive and answered all the doubts very patiently.

FIITJEE has a good testing system which helped me a lot. AITs and Review tests were held regularly which helped me analyse my strengths and weakness.

The time I have spent at FIITJEE have been of great help and boosted my confidence.

I have also cleared IOQM, INJSO, KVPY, INCHO, INPHO..

I owe my success to FIITJEE

Aditi
