

I, Aditya Anand, joined FIITJEE SOUTH DELHI in 10<sup>th</sup> class for 3 year Classroom Programme.

FIITJEE is the right platform for serious JEE aspirants. The faculty here is very dedicated and gives personal attention to each and every student. The comprehensive curriculum, periodic self assessment tests and doubt clearing sessions are very helpful.

GMP, RTPF and Archives helped tremendously in my revision. Various tests conducted by FIITJEE including weekly tests, phase tests, monthly tests, AITS, AIITS helped me improve my performance.

Under the expert guidance of FIITJEE, I was able to clear PRMO, RMO, NTSE-STAGE I and II, KVPY, IOQA.

I recommend my juniors to attend all their classes regularly and sincerely and clear their doubts.

I owe my success to FIITJEE SOUTH DELHI only.

THANKYOU FIITJEE SOUTH DELHI
