

I Arinjay Singhal, joined FIITJEE South Delhi in 2020 for three year classroom program

All the concepts were properly taught in class and the faculty were highly dedicated towards their subject. All doubts were regularly cleared and homework was discussed. The peer group discussion was very beneficial.

FIITJEE is well known for testing mechanism.

The AITS, AIITS, monthly tests and weekly quizzes helped me spot my weakness and encouraged me to work upon them. Syllabus was completed on time and frequent revision kept me well versed with concepts.

I would like to thank FIITJEE and I owe my success to FIITJEE south delhi
