

I, SHIV VARANAN, joined FIITJEE South Delhi in 2022-2023 in my class XII<sup>th</sup> for One Year Classroom course Programme.

I came to know FIITJEE from newspaper ads

The faculty in FIITJEE is really well trained and expert. They motivated and encouraged me in my journey. They have both academic as well as moral support. The regular homework, assignment discussion and class illustrations make me sincere and consistent with my preparation. The test series here like AITS, weekly test, phase test provide edge to my journey.

The study material is fantastic, It is well designed and properly structured for JEE. It includes all varieties from scratch to JEE level problems.

I advise my juniors to be consistent in their preparation, Attend all classes and complete their assignments on time and everything will want well.

I owe my success to FIITJEE SOUTH DELHI
